

26/03/2025

To the Rector's Office of Eastern Mediterranean University,

We kindly seek the support of our students to volunteer in the TEKNOFEST 2025 to be held at the Old Terminal Building of Turkish Republic of Northern Cyprus Ercan Airport between the 1st and 4th of May.

Volunteering students will have the opportunity to take part in a photo shoot with Selçuk Bayraktar, the Chairman of Board of Trustees at T3 Foundation. At the end of the festival, they will be presented with certificates and various souvenirs such as t-shirts and similar gifts. During the festival, students will wear TEKNOFEST t-shirts while performing their duties.

We aim to have total of 150 students from our university to participate in the event.

Our students who wish to take part in the event, should complete the following steps:

1st Step: Create a T3 account through the <https://t3kys.com/tr/accounts/signup/> website.

2nd Step: Register for the event from <https://t3kys.com/tr/program/apply/11095/0/0> webpage.

(N.B.: Those seeking transportation and accommodation support must specify their requests while filling in the form. Lunch will be provided at the venue. No further updates and changes can be made after the expiration of the application period.)

It is crucial that our esteemed Academic Units inform our students on the matter and encourage them to participate in the event.

Furthermore, I strongly believe that sharing the matter on our University's Social Media accounts would be very effective.

I respectfully request your assistance in ensuring that all academic units are properly informed and that this process is concluded at the earliest opportunity.

Kind regards,

Assoc. Prof. Dr. Davut Solyali
